

## DIABETES TESTING SUPPLIES FAQs

### **Are Diabetes testing supplies covered under my prescription drug benefit?**

Diabetes testing supplies (Blood Glucose Strips, Urine Test strips, and Lancets) are covered through the pharmacy benefit and require a prescription from your physician. See the [Caterpillar Drug Formulary](#) for more information.

Your applicable cost share will apply at the pharmacy. In order to receive the lowest co-pay, you should obtain your diabetes testing supplies from a Caterpillar network pharmacy. The list of Caterpillar network pharmacies can be found at [Benefits.cat.com > RX tab > Network Pharmacy Directory](#).

### **Can I purchase a 90-day supply of diabetes testing supplies through Mail Order?**

Yes. Applicable co-pay/co-insurance will apply. A prescription for a 90-day supply can be mailed/faxed to AllianceRx Walgreens Prime. See [Benefits.cat.com > RX tab > Home Delivery](#) for more details.

**IMPORTANT:** To be valid, the prescription must be faxed from your doctor's office.
